Christmas Message

This morning our Christmas message is given by Father Fred Kado. Father Fred has spent 32 years in the ministry and has been in Tasmania five years; he has served the church in the Philippines, in the United States, Ireland and Vanuatu.

Father Fred reminded members of Luke's account of the birth of Jesus and the message to Mary from the angel Gabriel. This was a message that we can all learn from at this time - the birth of Jesus is a gift that we can all share and the grace of God is with us all, especially at Christmas.

For the Diary:

- 4 February: Tassie's Biggest BBQ - promote Rotary to the community
- 26 February: Family of Rotary Day, Ross
- 25-27 May: District Conference, Grand Chancellor, Hobart.

From the floor:

Bruce Clark: I would like to thank all members for making the sausage sizzle so successful through the year. Thank you all for also filling in the roster all the way to the end of January.

Who was the first Rotary president?

Silvester Schiele

"The meeting, where a president was chosen, happened to be in Schiele's office, hence, as a courtesy, he became the president. Silvester Schiele, my most intimate Chicago friend, and one of the three who first met with me, was made our first president, and has been a constant member. Gustavus Loehr and Hiram Shorey were the other two but they failed to follow through. On the other hand Harry Ruggles, Charley Newton, and others who were quickly added to the group, with hearty zest joined in developing the project."
